Visitation School

Health Office

EpiPen Form

Visitation requires all students, who are prescribed an Epi-Pen by their physician, to supply the Visitation Health Office with a back- up Epi-Pen. This Epi-Pen is in addition to the Epi-Pen that they must carry with them throughout the school day.

Student Name:_____Date of Birth:_____Grade : _____

Please indicate specifically how you would like us to administer the EpiPen
(Form to be completed by your child's physician.)

The EpiPen is to be used after exposure to the following allergens:

_____

_____

Administer the EpiPen as follows (**check one**):

- ❑ Immediately after exposure to the above listed allergens.
- ❑ Only if the following symptoms are exhibited:

_____

_____

_____

Whenever an EpiPen is administered, 911 is called immediately. If you have any additional instructions, please list them:

_____

_____

_____
