Material Organization	Notes	Quantity	Use
Flash Drive	Ideally with a string or lanyard. At least 1GB of storage.	1	All Subjects
2 Inch-Thick, Three-Ring Binders , Heavy Duty, with Clear Cover Pocket and Pockets for papers Inside.	We highly recommend that you purchase three binders of the 2 inch size. Three binders of this size will fit perfectly next to each other in the width of your locker!	3	All Subjects
1 Inch Thick, Three Ring Binder	Similar to above, but needed for Physical Education.	1	Physical Education
1 inch thick, Three-Ring Binder	Binder with clear cover pocket and pockets on the inside	1	
4 Inch-Thick, Three- Ring Binder (optional, but highly-recommended)	In addition to the three binders noted above, we highly recommend that you have a large binder that you keep at home to put older materials from each binder when they start to fill up. That way, you will be able to retain all your materials from each class for the whole year, but your binders won't overflow!	1	All Subjects
Binder Dividing Tabs	You will need at least 21 dividing tabs that you will use in your binders organized. 21 of those tabs are required and will be used in your smaller binders at school (two tabs for each course). We also recommend another 10 tabs to you use in your large, 4 inch binder at home to mark each course when you put older materials in that binder.	21-31	All Subjects
Utensil Cases	One to keep and organize notecards, One for writing utensils.	2	All Subjects
Please note: Student planners are provided by Visitation, you need not purchase a calendar or planner.

Locker Items	Notes	Quantity	Use
Locker Shelves	Many, many options on the market. Please note, our lockers are 12 inches wide, 14 inches deep, and approximately 6 feet high. Choose an option you prefer, the recommended option in the link is more expensive, but comes highly recommended and will last for years if cared for (our upper school lockers are the same size as our MS lockers). Regardless of what you purchase, please do so early, these items frequently are out of stock in the weeks leading up to school start dates because of high demand!	1	All Subjects
Magnets	Tape (of any kind) is not allowed on lockers. Please bring magnets to hang things up inside your locker!	8-12	All Subjects
Decorations!	Your locker is your mini-home away from home! Bring a photo of your puppy or the note your big sister wrote you before leaving for college! Bring a photo of your favorite vacation spot or even some fun wrapping paper to decorate the inside of your locker to make it your own! Remember, no tape or adhesives! Bring enough magnets to hang and organize all your items!		All Subjects
