

Dear 6<sup>th</sup> Grade Student,

Welcome to Visitation Middle School! Summer is such a great time to rest, relax, get outside, try new things, travel and spend time with family and friends. As important as it is to do all of these things, one of the most important things you can always do. . . is to read! To read, simply for the joy and pleasure of reading a good story. Over the summer I would like you to read as much as you can! Read books that interest you and then choose one of those books to write a *Reader's Response Letter*. Your letter will give you a chance to share your thoughts, feelings, reactions, and questions about the ideas, characters, settings, plot, and themes in your book. Reading your letter will also give me a chance to get to know you and your writing style better!

When you are writing about your impressions, connections and wonderings there are only correct responses, so don't be afraid to let me hear your voice in your writing.

Have a wonderful summer and I am eager to meet you next school year!
