

To the Family:

PowerSchool is a Student Information System that provides access to your child's schedule, current grades, historical grades for this year, attendance, current GPA, and Teacher Comments (mid-quarter, quarters, and semesters). A Help page link resides on each page and can be clicked on for additional information if you need any assistance.

There is a new way for parents to login to PowerSchool for the 2015-2016 school year. Please follow the directions below.
