

[PowerSchool Learning](#) is where teachers host their class pages. You can see your child(ren)'s class schedules from a desktop page once you log in. Classes will not be active until the first day of school.

- *If you have never logged in to Learning, use your parent invitation code(s):*
 - Visit the webpage: <http://vischool.haikulearning.com/do/register/parent>
 - Click the “Register” link to create your account.
 - Enter your own name, your e-mail address and a password (use one that’s easy for you to remember and don’t use your child’s login). A username will be generated using your firstname.lastname (i.e. Mary Smith’s username will be mary.smith)
 - Once you’re in your portal, you should see all classes for your student(s).
- *To add a new student to your existing Learning account, follow these steps:*
 - Log into PowerSchool Learning.
 - In the upper right corner click on My Account and choose User Information.
 - Scroll down to the bottom of this screen and click on Add Additional Child.
 - It will ask for a registration code. Use the code for your new student.
 - Then click on continue when her name appears.
 - After adding all your children, click on “Go to my portal” to complete the process.
 - Once you’re in your portal, you should see all classes for your student(s).
